Y6: 96.54% (96.15%)	4½	6

### ATTENDANCE – 96.81%

We are so close to 97% - please try really hard after half term to come to school every

### PUNCTUALITY – 27 lates!!

Not much of an improvement this week! Maybe it will be better after the holiday when the mornings will be lighter!

### ATTENDANCE CHAMPIONS - Year 1

What a lovely class you are, Y1 - you are our champions this week. Just try a bit harder to get to school on time after the holiday, but well done this week!

## Fact of the Week

Reception	Shapes are everywhere
Year 1	There are many different ways to make 10.
Year 2	100p = £1
Year 3	The inverse of addition is subtraction
Year 4	10mm = 1cm
Year 5	We can use our multiplication to help us divide numbers.
Year 6	We know that the area of a triangle can be found by multiplying $\frac{1}{2}$ base x height

## Work of the Week, Reception

As you can see, Reception children have had a wonderful start to their primary school life during this half term. They have enjoyed Diwali with mehndi and rangoli patterns, they work hard in the classroom and enjoy playing outside but most of all, they love their lunch!!

## ATTENDANCE

It is very important that you realise that unauthorised absences of 20 or more (ie 10 days) in any year could lead to legal proceedings being taken against you. Please note that unauthorised holiday will be automatically included in the 20 absences.

Tonight is the night for Year 5! We know they will give a wonderful performance – ‘break a leg’!! Many thanks to Mr Jones and Mr Mahon for taking on this special challenge

## SAFEGUARDING

- Please switch off your mobile phone before entering the building.

The Life Education Mobile Unit was enjoyed by everyone and we all learned about lots of ways to keep healthy.

## Shared Lunch

Congratulations to Hannah B, Leon F, Eryk, Paulina, Rajan, Daniel, Leoni, Kacper, Zara and Amy who all shared lunch with Miss McGrath and Mrs Porter. Children are selected for showing acts of kindness, hard work, enthusiasm and sensible behaviour throughout the week.

Our Mad Science club has started and everyone enjoyed their first session.

## Imagineering Club

Thank you to Miss Hakim for volunteering to help with our Imagineering Club.

We are delighted with the children’s progress this half term. Lots of children have now moved into different groups – well done! Keep up the good work.

## Challenge

Miss McGrath has all the music ready for KS2 nativity but still needs a script. All children in Y3/4/5/6 are invited to submit a script by 3 November. Our final choice will then be made.

## International Week

Our shared lunch was a lovely occasion – thank you for your support.

## Class Information

**Rec:** Please could you send in a box of tissues, £2.50 juice money and PE kit after  $\frac{1}{2}$  term? It was lovely to see so many parents and friends at our Welcome Assembly - we hope you enjoyed it.

**Year 1:** I have really enjoyed teaching you this  $\frac{1}{2}$  term. Thank you and keep up the good work.

**Year 2:** We have enjoyed doing observational drawings of fruit from around the world and also learning about Diwali.

**Year 3:** Well done, Year 3 - a fantastic first half term. Thank you for all your hard work.

**Year 4:** Have a lovely half-term break. Remember to bring in your PE kit after the holiday.

**Year 5:** You have all worked so fantastically hard on our Shakespeare play. Enjoy a restful week.

**Year 6:** Abigail says “we have learned about Victorians and Dr Barnardo helped disadvantaged children.”
