

St Augustine's Catholic Primary School

Week ending Friday 01 May 2015

Attendance Matters!

This week's attendance (last week's in brackets)	Number of days missed	Number of lates
Rec: 95.72% (94.74%)	5½	0
Y1: 95.92% (97.24%)	6	0
Y2: 97.00% (98.00%)	4½	1
Y3: 99.26% (97.33%)	1	1
Y4: 97.78% (95.56%)	3	0
Y5: 95.19% (97.78%)	6½	3
Y6: 97.60% (98.00%)	3	1

ATTENDANCE - 96.91%
We need every child to be in school every day from now until July in order to lift our attendance to over 97%
Can they do it? I'm sure they can!

PUNCTUALITY - 12 lates
Still not too bad. Most of our late children turn up just after the gate closes. Try getting up 10 minutes earlier and leaving home in time to get here for 10 to 9.

ATTENDANCE CHAMPIONS - Year 3
What a brilliant week, Year 3 - almost perfect!!
We are sure that you will have 100% attendance and no late children after the Bank Holiday - can you do it?

☆ Stars of the Week ☆

Rec: Ashley Musika	Catherine Onodyova
Y1: Nadia Kosakiewicz	Nathan Mai
Y2: Danyana Henry	Christian Wegrzyn
Y3: Joshua Hammond	Jessica Johnson
Y4: Chenique Smith	Joshua Tran
Y5: Erice Macaruly	Beatrice Eighaguere
Y6: Khaya Stewart	Zara Castellino

Fact of the Week

Rec'n	How many numbers can you halve?
Year 1	23 is 2 tens and 3 units
Year 2	Subtraction is the inverse of addition
Year 3	The angles of a triangle add up to 180°
Year 4	The digits of the answers to the 9x table add up to 9
Year 5	We can be more efficient if we choose a mental, jotting or written method for different types of number problem.
Year 6	To find the perimeter of a rectangle the formula is 2(LxW) or 2L+2W

Friday 24th April, 2015.

Mystery Writing

Malik you have written a very good story opening.

- Lo.
- * understand the main features of mystery writing.
 - * to write a story plan.
 - * to write an opening to a mystery story using interesting vocabulary.

Katie zoomed energetically down the dusty narrow driveway. Trying frantically to keep up. Adil pushed down hard on the pedals with sweat pouring down his face, like a waterfall cascading down a mountain. Feeling a little frustrated, Adil mumbled "slow down, Katie!" Katie was two years older than Adil, and was used to cycling up the long steep hill. Adil was used to dodging around the hustle and bustle of London. Finally they arrived at Stow Hall House!

Work of the Week, Year 3

Malik in Year 3 has written an excellent opening to his mystery story. I wonder what happened next? Stow Hall House sounds very **SPOOKY!!**

- **SCHOOL CLOSURES: Monday 04 May & Thursday 07 May (Bank Holiday and Election Day).**
- Well done to our young tennis players who did well playing against some older children this week. We are proud of your effort and commitment.
- Thank you for attending Y4 Maths Inspire Workshop today - now you know a lot more about 3-D shapes!
- We look forward to welcoming Y3 parents next Friday morning for the Religious Education Inspire Workshop.
- Let us know by 8 May if you are interested in joining our new **FOOTBALL CLUB** after half term.

Although the sun is shining, and we all feel cosy in our classrooms, it is still quite chilly outside. The wind blows very strongly up and down the playground so please make sure your child has a jumper/cardigan and a coat in school every day.

Y3 INSPIRE WORKSHOP

There will be a Religious Education Workshop for Y3 pupils and their parents/carers next Friday, 08 May, from 09:00 until 10:30 in the hall. This will be part of our preparation to receive the Sacraments of Reconciliation and Eucharist in the coming weeks.

RECONCILIATION

Shared Lunch

Congratulations to Dan, Casper, Yanis, Christian, Malik, Kallum, Rihanna, Leoni, Oliwia S, Megan, Tamyne and Deanna who all shared lunch with Miss McGrath and Mrs Porter. Children are selected for showing acts of kindness, hard work, enthusiasm and sensible behaviour throughout the week.

READING AT HOME

Reading is one of the most important skills we can learn. Always have a book "on the go" and read regularly as a family so you can develop all those other important skills which rely on reading

SAFEGUARDING

e-SAFETY

We have circulated an e-safety questionnaire and would value every parent's responses. Safety when using the internet is so important in this age of technology. We aim to help everyone employ strong safety procedures when using all kinds of devices. Please let us know how we can help.

THE WEDNESDAY WORD

Special word of the week is '**Growing**' and we all grow in the love of God each day of our lives. Can you think of five other different ways in which we grow both at home and at school?

SPORTS' DAYS

These popular occasions will be organised as follows:
 Tuesday 19 May Key Stage 1 (R/Y1/Y2)
 Wednesday 20 May Key Stage 2 (Y3/4/5/6)
 Events will start shortly after 09:00.

ROAD SAFETY

May we remind you again to take every care when driving or parking anywhere near our school? Remember the rules for crossing the road and for taking care to drive and park in safe places where children are not put in danger. One careless act could cause the most terrible accident and we want all our children and their families to be safe at all times

Class Information

Rec: Juice and biscuit money being collected NEXT WEEK! Ensure that RWI homework is completed every night.

Year 1: Please complete your RWI homework every night.

Year 2: Remember your full PE kit for Tuesday, Wednesday and Thursday. Learn 2x, 5x, 10x tables. Read every day. Bring a water bottle.

Year 3: Please join us next Friday for our Inspire workshop.

Year 4: Please ensure PE kit is in school every Monday, Wednesday and Thursday.

Year 5: Please check your child's PE kit this weekend - some pumps are too small and others are torn and dangerous and need replacing! Thank you.

Year 6: Please keep working hard over the Bank Holiday weekend, revising for our special tests but take time out for a break.
