Children and people get more days off.

I promises to have swimming pools in every school.

people get Monday and Friday off.

Because I want to be the prime minister.

Super persuasive writing. I hope that you are elected!

Vote 'Go Green'

The children in Year 2 have had a very busy and exciting week. They have devised their own political parties and written their own manifestos and policies. They have also produced their own political party posters and delivered speeches to their classmates!

We definitely seem to have a prime minister of the future in Ellis Mills who wrote this manifesto!

Unfortunately his party did not win the vote - that went to the Blue 2 party!
