

St Augustine's Catholic Primary School

Week ending Friday 05 June 2015

Attendance Matters!

This week's attendance (last week's in brackets)	Number of days missed	Number of lates
Rec: 82.07% (59.58%)	25	0
Y1: 96.33% (96.67%)	5	1
Y2: 98.67% (97.92%)	2	3
Y3: 99.00% (97.08%)	1½	4
Y4: 95.00% (93.30%)	6½	1
Y5: 97.78% (92.13%)	3½	3
Y6: 96.00% (98.00%)	4	0

ATTENDANCE – 94.96%
Chickenpox is still affecting Reception class and this is bringing our total down. However we have improved over last week with five classes reaching the 96% target set by the Local Authority. Well done to Y1, 2,

PUNCTUALITY – 12 lates
The sunny weather seems to have had a good impact on our punctuality. Most of these lates are due to 2 or 3 pupils who, we are sure, will all do better next week!

ATTENDANCE CHAMPIONS – Year 6
It is a pity that Year 2 and Year 3 had more lates than Y6. However, the Champions Cup is awarded for punctuality and attendance combined, so well done again, Year 6!

☆ Stars of the Week ☆

Rec: Ridas Nenius	Krista Liedeskastrina
Y1: Oliwier Miscieczko	Casper Wegrzyn
Y2: Gloria Mutombo	Elyssa Macarulay
Y3: Ria Geohaghon	Bryan Ho
Y4: Dawid Dowgiert	Alesha Ebanks
Y5: Eleonora Zajacova	Amol Kalsi
Y6: James Downey	Wiktorija Gajda

Fact of the Week

Rec'n	Can you count in 2s?
Year 1	When we group things in 5s we can work out our 5x table.
Year 2	When we group things in 3s we can work out our 3x table.
Year 3	Subtraction is the inverse of addition.
Year 4	An isosceles triangle has 2 sides of the same length.
Year 5	The volume of a cube can be calculated by multiplying l x h x w.
Year 6	3^3 is the same as $3 \times 3 \times 3$.

Work of the Week, Year 5

Shared Lunch

Congratulations to Marianna, Kevin, Sandra, Marcel F, Alexandra F, Patryk, Alesha, Dominik, Beatrice, Eleonora, Amy and Emmanuel I who all shared lunch with Miss McGrath and Mrs Porter. Children are selected for showing acts of kindness, hard work, enthusiasm and sensible behaviour this week.

Year 5 have reproduced a famous painting by Claude Monet. It is the water lily pond and Japanese bridge, which he built in the garden of his home at Giverny on the River Seine, just outside Paris. **Please** look at this newsletter on the website as these paintings look fabulous in colour. Thank you to Piotr, Erice and Ryan for their wonderful pieces of work

- **FOOTBALL CLUB** starts tonight. We hope you all enjoy working with Dean and his helpers.
- Well done to our Y5 Cricket Team who responded well to the challenge of Wednesday's event at Wood Lane. Mr Mahon says, "Keep practising those catches!!!"
- Mr Pritchard is pleased with those children who have already started their Golf sessions with him. We are looking forward to hearing more about your progress.
- We wish Y6 pupils a great weekend away in Wales at Min y Don.

CONGRATULATIONS!

Our best wishes go to Ms Cheatle in Reception Class who has now become Mrs Rogers. We'll have to be careful not to mix her up with Mrs Rogers our Y3 dinner lady!!!

PLEASE REMEMBER

Always have your PE kit in school in a named drawstring bag. Your kit, including pumps, should also be clearly named. Everyone should also be using a red school reading bag. We have plenty in stock so if you need a new one, please bring in £5 as soon as possible.

WATER BOTTLES

Now that the warm weather has arrived, it is more important than ever that every child should have a named water bottle in school. A recycled 500ml plastic drinks bottle from home will do the job just as well as an expensive bottle with a logo on it - a picture of a superhero character does not make the water any more tasty or more thirst-quenching!!

FEAST OF CORPUS CHRISTI

This special feast will be celebrated on Sunday 07 June. At this time, we recall the Last Supper, the time when Jesus blessed the bread and wine and they became his body and blood.

THE WEDNESDAY WORD

Special word of the week is "Life" - Jesus brings us new life every time we receive Holy Communion. What did Jesus call the bread as he broke it and gave it to his disciples?

SAFEGUARDING

BE SAFE AROUND WATER

Always make sure your parents know where you are playing. Take extra special care near water and **NEVER** jump into ponds, streams and rivers.

READING TOGETHER

Ask your parents to name their favourite classic books that they read when they were your age. Why not look them out at the library? Did you manage to take your special card to the local library and register it in your name?

Class Information

Rec: Please remember to return the tear off and money for the trip before next Friday (12 June) and juice/biscuit money is also payable by next week.

Year 1: Thank you for all your hard work this week - keep up the good homework!

Year 2: We investigated a crime scene in the classroom and made WANTED posters. Has anyone seen Goldilocks?

Year 3: Welcome back. We have been working hard on our Sacrament of First Holy Communion this week. Thank you for listening so sensibly to Fr Smith

Year 4: Please learn the times tables and read every night.

Year 5: Please return Arts' Group letters. Keep up the good work

Year 6: A super week - you have produced some excellent work on Ancient Egypt. We are really excited about Min-y-Don and will let you know next week about the fun we had.
