Dear Diary 16 June 1948
I have just been told I am going to the trenches in the morning. I feel so scared is it a bad dream? I just want to wake up.
It is night time, I can't sleep because of the pictures going through my head I can see images of the people dying, corpses lying all over the ground.
Dear Diary 17 June 1948
Today is the day I get up in the morning and go to the parade. The sergeant tells us we are leaving in 5 minutes. I am terrified, the wind whispers in my ears - you will die!

Eleonora in Year 6 has done this wonderful piece of writing. She came to our school in 2011 with no English and now she is producing wonderful work. She should be very proud of herself - we certainly are!

ROAD SAFETY

To All Parents and Carers

May we remind you again that parking near school and/or on the yellow zig-zag lines in very unsafe and NOT PERMITTED under any circumstances.

You are required to park well away from the school gates to ensure that everyone is safe. We ask those parents who stop in the middle of the road and open the door to let their children out to PLEASE stop this practice. You should park at the side of the road, well away from the school entrance.

The local police are very vigilant and you will be approached by them if these dangerous practices continue.

Many, many thanks to the majority of adults who do park in the suggested places, ensuring that needless accidents do not occur.
