Fact of the Week

Rec'n	There are five pennies in 5p.
Year 1	Our bodies have 5 very important senses.
Year 2	We can add in any order and the answer will always be the same.
Year 3	$\frac{4}{8}$ $\frac{2}{4}$ $\frac{6}{12}$ are all equivalent to $\frac{1}{2}$.
Year 4	Multiplication is the inverse operation of division.
Year 5	The denominator tells us the number of equal parts.
Year 6	To simplify a fraction to its lowest terms divide both the numerator and the denominator by the highest common factor.

Work of the Week, Year 6

Year 6 have been learning about the body. They had to identify and label the key organs.

Year of Mercy

Archbishop Bernard Longley enters St Chad's Cathedral via the Door of Mercy. As the Year of Mercy draws to a close this Sunday, we remember all those whom we try to help every day of our lives.

ATTENDANCE MATTERS AT ST AUGUSTINE'S

In our continued effort to improve attendance, Education Welfare Officers will be working closely with us in the coming months. Parents of pupils whose level of attendance is a concern will be invited into school to discuss how we can support them in ensuring that their children are in school every day. Regular attendance is vital if all pupils are to achieve their full potential.

SCHOOL NEWS

- Thank you for supporting Children in Need today. It is always a joy to have fun whilst we think of the needs of others less fortunate than ourselves. The children's colourful outfits were fantastic and your donations were most generous. Thank you!
- Our PTA Christmas Raffle is now starting. Tickets are at the usual price of 10p each/5 for 50p/£2.50 for the set. A lot of prizes have already been donated but we are happy to accept more so that lots of you can win something at this special time.
- May we remind you that **all children should have their PE kit in school every day**. This should be kept in a named drawstring bag and all items should also be clearly named. It can be taken home on Friday to be washed.
- All children also need a named water bottle to be kept in their class box. This will be rinsed and re-filled every day by class prefects. Again, it should be taken home on Friday to be cleaned.
