Dear Parent/Carer

As this challenging time continues, I am writing to send our very best wishes to you and your families. School is such a different place without so many of the children and without our daily contact with yourselves.

We are grateful for all the messages we are receiving and for your ongoing support of home learning activities. The pictures and messages we receive every week show how hard everyone is working. Please remember: do what you can and if you can't manage a particular task, don't worry! The special links in the Covid-19 section of the website will give you extra ideas and there are lots of other websites you can explore as well as using Education City, MyMaths, Twinkl and BBC Bitesize. Remember to have some fun and enjoy family time together as well as complete some school work.

I urge you all to visit the "Webzone" tab in our website, click into "Online Safety" and check out the two "Think U Know" links. There are many excellent activities in the new "Home Activity Packs" which will help you keep your children safe online. There are also plenty of parental guidance suggestions in the parents' area.

I shall be in touch again soon when we have any more information about the way forward for schools.

May God bless you all.

Mrs. M. M. Stanley

Mrs MM Stanley
