Work of the week from Year 6

Learning about the 'Cavalry Horse'

By Shania McDermott

Here I am getting my saddle on..
injured every second!

Barbed wires waiting for their prey like shocked and scared I begin to trot
of a sudden I start to walk faster, suddenly Captain says 'charge!' and I
sprint into no mans land. I see people getting a bird.

Horses getting shot boom! I neigh nervously and continue fighting,
Captain Nicholls manages to dodge a bullet unexpectedly. I see people
blood-shot, the death rattle of machine guns firing. The squadron throw
grenades and kill 5 people unexpectedly. I was excited and shocked at
the same time, we were that tired and drenched we could hear the horses
silent scream...

All of a sudden my trooper is knocked off of me and falls to the
ground...

Will Joey survive...

Great piece of writing Shania on the 'Cavalry Horse' 2hp
