Work of the week from Year 5

'Holes' Stanley's Dialogue - By Anna Pham

After a dreadful night at Camp Green Lake, Stanley observantly looked around, trying to find Mr Pendanski. He'd only been walking around in the hot, steaming sun for a couple of minutes. He was as thirsty as fish. Mr Pendanski suddenly appeared in front of Stanley and exclaimed, "There you are, I've been looking for you everywhere!" Stanley glared towards Mr Pendanski, sweating. Stanley looked around him, seeing many boys. "In this camp, you can make friends if you can earn their trust," insisted Mr Pendanski. Stanley was starving. He was also tired. It then got awkward. The silence broke when Mr Pendanski asked "So, how do you feel buddy?" It took Stanley a few seconds to think but then he murmured, "I'm fine, just a bit thirsty." Mr Pendanski chuckled. "You've got to get used to that."

Great work Anna! Zhp

Coronavirus

The government is closely monitoring the spread of the Coronavirus and is taking action at home and abroad. The overall risk of Coronavirus to the UK remains moderate. However we understand that people may be concerned where there are children, students or staff returning from or visiting China. Public Health England and the Foreign Office have issued advice for anyone travelling to the area. This can be found at:

<https://www.gov.uk/foreign-travel-advice/china>

Advice for parents/carers

You should not be unduly worried about the possibility of your children catching the Coronavirus. There is no reason why your children should not continue to attend their early years, school or further education setting as normal.

What action you can take:

A UK wide campaign has been launched to provide clear advice on how to slow the spread of Coronavirus. Please help to support the campaign which promotes basic hygiene practices, such as regularly washing hands and always sneezing into a tissue, to stem the spread of viruses.

READ EVERY DAY

Remember to practise your speed sounds and words every day. The 1:1 dinnertime groups are working very hard. Well done and thank you to all the older children who are helping!

Class Information

We ask for £15 per child per year or £30 for a family of three or more siblings. This can be paid on a termly basis (£5/£10) to suit your needs but we do ask that monies are sent in at the beginning of each term.

Nur: Super work this week Nursery! We have found out lots about Baptism.

Rec: We have been finding out about animals that hibernate in winter. Super listening, Reception!

Year 1: Well done everyone! Keep practising your sounds and reading every night.

Year 2: We enjoyed following instructions to make a sandwich this week. Remember to read every night!

Year 3: Fantastic money work in Mathematics. We can work out change from £10.

Year 4: We have been working hard on equivalent fractions and adding & subtracting fractions.

Year 5: We have discovered how mountains are formed and examined climates/habitats around the world.

Year 6: A super week looking at co-ordinates and position. Practise your arithmetic skills and return forms.
