11 September 2020

Dear Parent/Carer

What a busy week we have had but everyone has worked really hard and it has been delightful to welcome some of our new Reception Class!

I would like to thank you for supporting our efforts to ensure safety for the whole school community by respecting our revised opening/closing times. This has made social distancing easier to implement. However, a small number of parents still need to take on board the need for following our guidelines. We want to avoid any spread of infection at all times and your co-operation is vital. Thank you to those who are wearing masks. We would welcome the use of masks by all parents approaching the school site.

Following further discussion this week, we shall not be sending homework until Monday 21 September. In the meantime, please could you make sure your child uses the resources in the Covid-19 section of our website. It would also be very helpful if you could ensure that your child reads for at least 10 or 15 minutes each evening and practises number bonds and/or times tables each day.

PE kit needs to be worn each Wednesday by children from Y1 > Y6 - it worked really well this week, thank you.

The confidential data information sheets are being sent home for you to check. Please read them carefully and make any changes as needed. They should be returned in the envelope. Please make sure that you check the contact telephone numbers and include your e-mail address on the form before signing and returning it to us as soon as possible. All forms need to be returned.

If you wish your child to change from dinners to sandwiches or sandwiches to dinners, this must be requested in writing with at least two weeks' notice. Thank you for your co-operation with this requirement.

Yours sincerely
