## Work of the week from Year Six

Paul- Diary Entry Sunday 31<sup>st</sup> January 2006

By Ashley Muzika

Today began great. I was excited to meet the guys. We chatted and decided on the music. We began to play or practise. The bagpipes sounded horrible and people hated this noise. They played a trick and made me upset. They filled the bagpipes with coke.

*Excellent writing Ashley! Well done. 2hp!*
