Work of the week from Year Four

The Call of David- By Raydon Nguyen

- How did Samuel know he had got the right person to be King?**
God told Samuel to find David from Jesse's house and God knew that David had a good heart to become King of Israel.
- What did Samuel do to show that David had been chosen by God to be the King of Israel?**
Samuel used a special oil to anoint David to show that David is soon to be the new King.
- Why do you think David was chosen over his other brothers?**
David was chosen over his seven older brothers because David had a good and loving heart to look after Israel as King and David's brothers were not good people inside to be King.
- What does this story tell us about God's calling and choosing somebody to do something special for him?**
This story tells us about David being King not because he's the strongest, the bravest, the smartest, the oldest or the biggest. God chose David to be King because David had the purest heart to be King of Israel and be in King Saul's place.
