Dear Parent/Carer

First of all, may I say a huge **"THANK YOU"** to you all for your outstanding efforts with Remote Learning. We do understand that this way of working is new for everyone: teachers and teaching assistants included! All we ask is that you and the children do your best. If you can't complete a particular task, please don't worry. What is important is that you encourage your child to "have a go" and find time to read with them each day.

Worksheets for some aspects don't have to be printed out - your child can simply record answers in their homework book. Should you run out of space in the homework book, please call at the school office and ask for another.

Thank you for getting in touch when you have a problem. We are all learning new IT skills at the moment and we do understand your difficulties.

We have managed to obtain some laptops from various sources and hope to be able to loan them out very soon. When everyone has a laptop, we shall be able to deliver some "live" lessons on the Google Learning Platform. Please watch out on the website and in your e-mails for further information about this exciting plan.

In the meantime, thank you again for sending in the children's writing work each Friday and for working so hard to ensure that the children can continue to learn in such difficult circumstances.

Our thoughts and prayers are with you all every day as we deal with this challenging situation which is causing so much hardship and sadness throughout the world. Please know that, as a school, we are here for you as your family and we shall do our very best to support you in any way we can.

All our members of staff join me in sending love to you all.

God Bless.

Mrs MM Stanley
