## Week ending Friday 17 November 2023

"And the word became flesh and dwelt among us"  
John 1:14

  
Together, we can  
MAKE A DIFFERENCE

Live, Love and Learn with Jesus

### THE WEDNESDAY WORD

Special word of the week is:

**"TALENT"**

Jesus said to his disciples, "There was once a man who set out on a journey. Before he left, he summoned his servants; to one he gave five talents (a large amount of money in those days), to another he gave two talents and to a third he gave one talent. After a long time, he returned. The servant who had received five talents had made five more, and the servant who had two talents had made two more. The master was delighted and said to them, 'Well done good and faithful servants; come and share your master's joy.' But the servant who had been given one talent had just buried it in the ground and then dug it up and returned it to his master. The master was angry and had that lazy servant thrown out."
