15 July 2020

Dear Year 3

I hope you are all keeping well and safe. This will be my final class letter as school closes on Friday 17 July. This has, by far, been our hardest year at school and I will never ever forget my very special lockdown class! Year 3 - you are a lovely class and despite only having you for half of the year, you have given me some great memories. Mr Jones is getting a great class next year and I am really looking forward to seeing you all when you return in September! Here are a few activities to keep you busy:

*An investigation from STEM. This is a fantastic site that we use in schools and it links Design Technology with Science. If you're feeling adventurous then this would be a great way to explore how our skeletal structure protects our internal organs - you could even try it with an egg!

https://www.stem.org.uk/system/files/elibrary-resources/legacy_files_migrated/35134-KS2ActivitySheet_humanbody_2.pdf

*ALL ABOUT ME! Make a poster all about you - your likes/dislikes, your pets, about your family, hobbies, talents, strengths, any targets you would like to work on in Year 4, favourite authors, you can even stick on pictures, even one of you! This is a nice activity for you to do together as a family. You can bring it in to share with Mr Jones in September.

*ICT games is a FANTASTIC resource! Most of the games are tablet-friendly and they have suggested different games for different year groups. Search for 'Spooky Spellings', 'Bunny Battlefront', and 'Tables Tennis'!

<https://www.ictgames.com/mobilePage/corona/schoolClosureSuggestionsKS2.pdf>

Now that I have come to the end of my final class letter, I wish you all the very best. Have a wonderful summer holiday and I look forward to seeing you all on the playground in September. (I think if I ask Mr Jones, I may be able to come into Year 4 and teach you a few lessons)

Have a great holiday, make memories, smile and stay safe.

Mrs Tovey-Jones and Mrs Porter x
