14 July 2020

Dear Year 4

How are you all? We are all thinking about you lots and hope you are all well. It is amazing to think we are approaching the summer holiday period.

This week we have been looking at adventure stories. What adventure stories have you read? Can you think of any that have been turned into TV programs or films? I think my favourite adventure story would have to be The Hobbit by JRR Tolkien. What is your favourite adventure story?

Our Maths focus has been on geometry. We have been looking at shape and the properties of 2D shapes and also looking at angles. Can you remember the angle family we drew together? Could you try and recreate it? What is an acute angle?

In our study of the Ancient Egyptians this week, we have been learning about the Ancient Egyptian Gods and why they were important to the people of Ancient Egypt. There are some lovely resources on the BBC website which help to explain about this topic. <https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/z4m8pg8>

In Art, our Pharaoh creations from last week came out really well and all the children should be proud of their work. This week we have created landscape pictures of the sunrise over the Great Pyramids of Giza and had a go at making pyramids from nets.

Please keep sharing any of the wonderful activities you are doing at home by sending them to Miss McGrath at this email address: [a.mcgrath@staugust.bham.sch.uk](mailto:a.mcgrath@staugust.bham.sch.uk).

At home this week, the potatoes and tomatoes are coming along nicely. Hopefully over the next few weeks, we might see some of the tomatoes ready to eat, though I think the potatoes are still two to three months away from being ready to harvest.

Take care and stay safe over the summer holiday.

Mr Jones

Archdiocese of  
Birmingham
