Dear Year 6

How are you all? I hope you have had a good week, have continued to work hard using the online resources on our website and of course enjoyed a good final week in primary school for those of you who have been in the classroom. I cannot honestly believe that it is the end of the school year already and that Year 6 is finished. Although it has been a very strange end to the year and your time at primary school, I hope you will agree that it has been an amazing journey and one where you have learnt so much that will help you in your future.

I remember seeing you all around school when you were so small in Year 1 and 2 and now you are all grown up and ready to start a whole new adventure in secondary school. I like to reflect on all that you have achieved during our time together. You all worked so hard to improve and achieve your very best. You should all be incredibly proud of yourselves. As I said in last week's letter, be assured that in the autumn term we will be trying our very best to get all of you together for a proper goodbye.

I hope you all have a wonderful summer break. I'm sure you will settle quickly into your secondary schools. Keep reading over the holiday and practise your basic maths skills. You can still access your My Maths account and complete any outstanding work you may wish to. You can also still access the games on there so use those to keep your brain active.

Year 6, I will pray for you all and I hope that in September you will come back and say hello to us. As always, keep smiling and keep saying your prayers for all God's family, at home, at school and all around the world.

God Bless you all - miss you lots.

All my love

Mrs Warren xxx
