

St Augustine's Catholic Primary School

RHSE INFORMATION FOR PARENTS AND CARERS

We want all children to grow up healthy, happy, safe and able to manage the challenges and opportunities of modern Britain. All primary age children are now taught Relationships and Health Education.

These subjects are designed to equip your child with knowledge to make informed decisions about their wellbeing, health and relationships as well as preparing them for a successful adult life.

As a school, we have flexibility to deliver the content in a way that is age-appropriate and sensitive to the needs and religious backgrounds of our pupils.

RELATIONSHIPS EDUCATION

By the end of primary school, children will have been taught content on:

- families and people who care for me
- caring friendships
- respectful relationships
- online relationships
- being safe

HEALTH EDUCATION

By the end of primary school, children will have been taught content on:

- mental wellbeing
- internet safety and harms
- physical health and fitness
- healthy eating
- facts and risks associated with drugs, alcohol and tobacco
- health and prevention
- basic first aid
- changing adolescent body

You will find further information about these areas by searching "relationships and health education" on GOV.UK

The charts on the following pages are intended to help you understand the nature and delivery of the RHSE programme in our school. Please let us know if you would like any more detailed information.
