Live, Love and Learn with Jesus

THE WEDNESDAY WORD

Special word of the week is:

Jesus returned in the power of the spirit, into Galilee, and the fame of him went out through the whole country. He taught in the synagogues, and everyone praised him. He went to Nazareth, where he had been brought up, and on the Sabbath day he went into the synagogue, as was his custom. He stood up to read, and the scroll of the prophet Isaiah was handed to him. It was written:

The Spirit of the Lord is upon me. He has anointed me to preach the gospel to the poor, he has sent me to heal sinners. He has sent me to preach deliverance to the captives, to give sight to the blind, to set prisoners free, to tell everyone the news that God's kingdom has come.

Luke 1:1-4, 4:14-21

THIS WEEK'S NEWS

Friday's special assembly helped us to join other children around the world to celebrate the beginning of this special year.

The Holy Father has decided that 2025 will be a year of Jubilee, something which happens every 25 years. The theme is "Pilgrims of Hope", and it is a year of hope for a world suffering the impacts of war, the ongoing effects of COVID-19 pandemic and a climate crisis. Please pray with us for a better world.

TEACHER DAY MONDAY 03 FEBRUARY SCHOOL WILL BE CLOSED.

Early morning calls help us to help you, especially if your child is unwell. Please let us know any time after 08:00.

There are many ways to find help. Please ask us if you have any particular needs. We shall always do what we can to help you.

MESSAGES FROM CLASS TEACHERS

Nursery	Nursery children have enjoyed a Winter Walk where we searched for signs of winter as well as looking at ice and how it forms and melts.
Reception	We hope Mrs Delahaye recovers soon so we can show her all the wonderful things we have done this week. Thank you to all the teachers who have helped us.
Year One	Year 1 have enjoyed acting out the parable of the 'Good Samaritan'. We have thought about how we can be like the good Samaritan in our own lives.
Year Two	We've worked hard in Mathematics using coins to make £1 in lots of different ways. Remember to practise your reading every night and learn your number bonds.
Year Three	Year 3 pupils have been learning all about the properties and uses of magnets. We also carried out an investigation to test magnets' strength.
Year Four	We have been multiplying three numbers together this week. What a challenge - we have learned a new skill!!!
Year Five	We have been learning about some of the Parables Jesus taught. These are very special ways to help people understand how to treat each other well.
Year Six	Keep up your daily reading and remember your weekly tasks on MyMaths. All these things will help you refine your skills and improve your work.
