Live, Love and Learn with Jesus

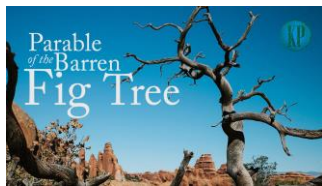

THE WEDNESDAY WORD

Special word of the week is:

"CHANGE"

One day, Jesus told his people this parable. A man went to check how many fruits were growing on a fig tree in his orchard. When he checked, he found that there were none. So he sent for his gardener and told him, "This fig tree has produced no fruit for the past three years. Cut it down and plant another in its place!" But the gardener said to him, "Master, give the tree one more year so I can continue to feed and care for it. It may then have produced some fruit. If it still has no fruit on it by then, cut it down."

Luke 13:1 - 9

Element	Explanation
	<p>The four figures represent 'all of humanity, coming from the four corners of the earth. They embrace each other to indicate the solidarity and fraternity which should unite all peoples.' The figures also remind us that we do not journey through life alone and that we are united with our brothers and sisters in Christ.</p>
	<p>The figure at the front is embracing the cross. The symbolism of this is twofold. The cross is a well-known sign of faith and it is also a sign of hope: we need to hold onto our faith 'especially in our moments of greatest need.'</p>
	<p>There are waves beneath the figures. This reminds us that our pilgrim's journey through life is not always calm and smooth: throughout our lives we will have to face all kinds of different challenges.</p>
	<p>The symbol of hope is further enhanced by the lower part of the cross which is in the shape of an anchor. It is submerged deep into the waters and signifies how, like an anchor, our faith gives us stability and security.</p>
	<p>In this logo the cross is also bending 'down towards humanity, not leaving human beings alone, but stretching out to them to offer the certainty of its presence and the security of hope.'</p>
	<p>The motto 'Pilgrims of Hope' is ahead of the boat in the direction of travel. Green is a colour of growth and hope. At Easter time we see the signs of spring emerging from the earth coinciding with our celebration of the Resurrection through which our hope and salvation is realised.</p>
